2012 Brain Injury Summit
A Meeting of the Minds

January 9-11, 2012

- Welcome Reception and Lecture -
Evening of January 8, 2012

Beaver Creek, Colorado

Hosted by
Craig Hospital
Caring exclusively for patients with spinal cord and brain injuries.
OVERVIEW

2012 Brain Injury Summit: An Invitation

Retreat to the mountains for a unique gathering of national experts and rising leaders in the field of traumatic brain injury care. The Summit will explore best practices and cutting edge professional interventions across a comprehensive continuum of care in a setting that fosters discussion, discovery, and professional development.

Conference Format:
- Keynote, plenary, and panel presentations
- Platform and poster presentations
- Breakout sessions and roundtables
- Networking opportunities with other professionals
- Exhibits

Target Audience:
Professionals involved in all aspects of service delivery for persons and families dealing with traumatic brain injury are encouraged to attend. This includes, but is not limited to, physicians, nurses, case managers, allied health professionals, insurance executives, administrators, attorneys, and researchers.

Educational Objectives:

Upon completing the conference, participants will be able to:

1) Examine best clinical practices throughout the continuum of care for management of patients with mild to severe traumatic brain injuries including but not limited to the following topics:
   - Medical diagnosis and treatment, including emergency management, neuroimaging, and pharmacologic rehabilitation
   - Evaluation and management of neuromedical conditions such as endocrine dysfunction, sleep disturbance, spasticity, and movement disorders
   - Clinical interventions for the management of cognitive, visual, vestibular, and physical dysfunction
   - Applied technology for rehabilitation
   - Neurobehavioral assessment and treatment
   - Aging and lifelong wellness considerations
   - Ethics, legal concerns, and funding issues

2) Apply pathobiological and neuroplasticity knowledge to clinical interventions for optimizing recovery from traumatic brain injury

3) Interpret current research findings and determine implications for application to clinical practice and optimizing patient outcomes

4) Describe the impact of traumatic brain injury on survivors and their families and identify community resources to improve quality of life

5) Enhance communication within the network of traumatic brain injury service providers by gaining an understanding of other roles and perspectives

***Call for Abstracts Open***
Submissions due by September 2, 2011
www.braininjurysummit2012.org or www.craighospital.org

For more information please contact Amy Berryman OTR at 303.789.8611 or aberryman@craighospital.org

Hosted by:

Craig Hospital is a world-renowned non-profit specialty rehabilitation and research hospital exclusively dedicated to patients with brain injury and spinal cord injury. Since 1956, Craig has treated more than 27,500 patients, and in 2010 patients came to Craig from 48 states. Craig’s comprehensive system of care has been rated in the Top Ten Rehabilitation Hospitals by US News and World Report every year since the ratings began in 1990. Craig is designated by the federal NIDRR program as a Model Systems Center for TBI and SCI and is the NIDRR TBI National Data and Statistical Center. Craig was awarded the prestigious Magnet™ Recognition for Excellence in Nursing in 2005 and again in 2010. In 2011, Craig received the American Nurses Association’s NDNQI® Award in the rehabilitation category for nursing quality.

Proceeds from the 2012 Brain Injury Summit will benefit Craig Hospital’s Patient Assistance Programs and the Brain Injury Alliance of Colorado.
Melissa Abate LMSW  
Patient and Family Services Counselor  
Craig Hospital

David B. Arciniegas MD, FANPA, FAPM, CBIST  
Director, Neurobehavioral Disorders Program  
Associate Professor of Psychiatry and Neurology  
University of Colorado School of Medicine

Mark Ashley ScD, CCC-SLP, CCM  
President and CEO  
Centre for Neuro Skills

Jill Baldessari OTR, ATP  
Assistive Technology Specialist  
Craig Hospital

James C. Berry PhD, ABPP  
Clinical Psychologist, Neuropsychology  
Craig Hospital

Cynthia Braden MA, CCC, CPHQ, FACRM  
Director, Quality Management  
Craig Hospital

Debra Braunling-McMorrow PhD  
Vice President of Development  
Neuro Restorative formerly MENTOR ABI

Peter Burg Esq  
Burg Simpson Eldredge Hersh & Jardine, PC

Amy Berryman OTR, MSHSA  
Supervisor, Occupational Therapy  
Craig Hospital

Randall D. Buzan MD  
Associate Clinical Professor of Psychiatry  
University of Colorado School of Medicine

Lisa A. Childs MS PT, MHA  
Supervisor, Physical Therapy  
Craig Hospital

D. Nathan Cope MD  
Senior Medical Officer  
Paradigm Management Services, LLC

Barbara A. Esses MD  
Neurotologist  
Denver Ear Associates

R. Craig Ewing Esq  
Ewing & Ewing, PC

JoAnne F. Finegan MSA, CTRS  
Chief Executive Officer  
REMED

Joseph J. Fins MD, FACP  
Chief, Division of Medical Ethics  
Professor of Medicine, Professor of Public Health, Professor of Psychiatry  
Weill Cornell Medical College

Donald Gerber PsyD, Med, ABPP  
Clinical Psychologist, Neuropsychology  
Craig Hospital

Joseph T. Giacino PhD  
Director of Rehabilitation Neuropsychology  
Department of Rehabilitation and Physical Medicine  
Spalding Rehabilitation Hospital  
Visiting Associate Professor, Harvard Medical School

James M. Gracey EdD, CRC, CLCP  
Rehabilitation Consultant and Therapist  
Certified Life Care Planner  
Colorado Institute for Injury Rehabilitation

Cynthia Harrison-Felix PhD  
Assistant Director, Research  
Craig Hospital

Lenore Hawley MSSW, LCSW, CBIST  
Clinical Professional, Research  
Craig Hospital

Tiffany Heck OTR  
Community Reintegration Specialist  
Craig Hospital

Kim Hoogeveen PhD  
MindSet, LLC

Kenny Hosack MA  
Director, Provider Relations  
Craig Hospital

David Hovan PhD  
Professor, Department of Neurosurgery, Molecular, and Medical Pharmacology  
Director, UCLA Brain Injury Research Center

Contact Hours / Continuing Education Units

**Physicians:** This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Postgraduate Institute for Medicine and Craig Hospital. The Postgraduate Institute for Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The Postgraduate Institute for Medicine designates this live activity for a maximum of 17.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing:** Craig Hospital is an approved provider of continuing nursing education by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

This educational offering provides 17.75 contact hours through Craig Hospital Provider # CRH-0114. Approval period is February 1, 2011 through January 31, 2014.

**Other Professions:** This conference qualifies for 17.75 contact hours recognized by many national, state, and local licensing boards and professional organizations. A conference syllabus and certificate of attendance will be provided. Please contact your professional board or organization for specific filing requirements. Professionals should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by PIM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.

Craig Hospital reserves the right to modify or change the program as necessary. The most current program is available on our website: www.braininjurysummit2012.org or www.craighospital.org.

***Book rooms early as space is limited.***
PRE-SUMMIT LECTURE
Friday January 6, 2012 at Craig Hospital –
The 2nd Annual Mark P. Cilo Lectureship

1:00 - 2:00 p.m.  The Believing Brain: The Neuroscience of Knowledge and Human Beliefs  
Jordan Grafman PhD 
Director, Traumatic Brain Injury Research Laboratory 
Kessler Foundation Research Center

***Lecture at Craig Hospital*** 3425 South Clarkson Street, Englewood, CO 80113***

Tours of Craig Hospital will be offered at 10 a.m. and 2 p.m.

2012 BRAIN INJURY SUMMIT

Sunday January 8, 2012

12:00 p.m.  Registration Open
4:45 p.m.  Welcome Remarks  
Amy Berryman OTR, MSHA – Conference Chair
5:00 p.m.  Sports Concussion: Evolving Concepts, Controversies, and Management Strategies  
Donald Gerber PsyD, Med, ABPP

6:00 to 8:00 p.m.  Welcome Cocktail Reception – Exhibits Open

Monday January 9, 2012

7:00 a.m.  Registration Open
7:45 a.m.  Welcome Remarks  
Alan Weintraub MD – Program Chair
8:00 a.m.  Opening Plenary Session

Neurobiology of Traumatic Brain Injury: Consequences for Plasticity and Recovery of Function  
David Hovda PhD

Emerging Trends in the Acute Care of Traumatic Brain Injury: A Comprehensive Neurosurgical Perspective  
Geoffrey T. Manley MD, PhD

Neuro-Imaging as a Diagnostic Tool in Brain Injury Care and Rehabilitation  
Peter E. Ricci MD

Translational Neuroscience of Recovery and Rehabilitation: Implications for Clinical Practice  
Lyn S. Turkstra PhD, CCC-SLP, BC-NCD

10:30 a.m.  Morning Break with Refreshments – Exhibits Open

10:30 a.m.  Breakout Concurrent Sessions

A.  The Pathophysiology of Traumatic Brain Injury and Relation to Frontal Lobe Function  
Donald T. Stuss PhD

B.  Posttraumatic Movement Disorders  
Erwin B. Montgomery, Jr. MD

C.  Posttraumatic Visual Impairments and Functional Rehabilitation  
Tom Politzer OD, FCOVD, FAAO & Karen Rasavage OTR

D.  Decision Making for Persons and Families Dealing with Traumatic Brain Injury  
Joseph J. Fins MD, FACP

E.  Neuro-Imaging as a Medical-Legal Tool in Brain Injury Cases  
Peter E. Ricci MD & Ronald Ruff PhD

11:15 a.m.  Break – Exhibits Open

11:30 a.m.  Breakout Concurrent Sessions

A.  Evidence Based Treatment for Disorders of Executive Function  
Lyn S. Turkstra PhD, CCC-SLP, BC-NCD

B.  Neuroendocrine Dysfunction Following Traumatic Brain Injury  
David Ripley MD

C.  "Stimulating" Recovery for Neurologic Rehabilitation in TBI: Efficacy of Activity Based Therapy  
Keith McBride MPT, DPT

D.  Brain Injury: The U.S. Military Experience  
James P. Kelly MA, MD, FAAN

E.  Psychological Consequences for Persons and Families During Brain Injury Litigation  
Ken Jaray, Attorney & R. Craig Ewing Esq

12:15 p.m.  Break – Exhibits Open
12:30 p.m.  Luncheon Lecture  
The Clinical Usefulness of Virtual Reality: A Vision for Brain Injury Rehabilitation  
Skip Rizzo PhD

1:45 p.m.  Breakout Concurrent Sessions

A.  The Treatment of Social Competence After Brain Injury: An Evidence Based Model  
Lenore Hawley MSSW, LCSW, CBIST & Jody Newman MA, CCC-SLP

B.  Posttraumatic Sleep Disorders: Evaluation and Treatment  
Ronald Kramer MD, FAASM

C.  Functional Approaches to Upper Extremity Rehabilitation  
Amy Berryman OTR, MSHA & Denise Wass PT, DScPT, NCS

D.  The National Intrepid Center of Excellence: Advancing Our Understanding of Military TBI and Psychological Health Conditions  
James P. Kelly MA, MD, FAAN

E.  Dispelling Myths Related to Brain Injury Litigation and Admissibility Debates  
T. Thomas Metler Esq & Steven A. Shapiro

2:30 p.m.  Break – Exhibits Open
2:45 p.m.  Concurrent Sessions

A.  Rehabilitation Pharmacology Symposium:

Philosophy of Mind, Neuroanatomy and Pharmacology in Brain Injury  
Randall D. Buzan MD

Pharmacologic Facilitation of Neurobehavioral Rehabilitation after TBI: Emerging Approaches  
David B. Arciniegos MD, FANPA, FAPM, CBIST

B.  Posttraumatic Spasticity Disorders: A Multidisciplinary Evaluation and Management Paradigm  
Darryl Kaolin MD, Lisa Childs MS, PT, MHA, & Ellen Severe OTR

C.  Administrative Cultures of Successful Post Acute Brain Injury Program Development  
JoAnne F. Finnegan MSA, CTRS & Kim Hoogeveen PhD

D.  An Overview of Posttraumatic Vestibular Dysfunction: A Panel Presentation  
Barbara A. Esses MD, Tom Politzer OD, FCOVD, FAAO, & Matthew Scherer PT, PhD, NCS

E.  Case Preparation, Settlement, Restorative Mediation and Damages Claims in Brain Injury Litigation  
Daniel A. Sloane, Ken Jaray, Attorney & T. Thomas Metler Esq – Panel Q & A

4:00 p.m.  Break – Exhibits Open
4:15 p.m.  Concurrent Sessions

A.  Disorders of Consciousness: What Clinicians Should Know to Guide Effective Clinical Practice  
Joseph T. Giacino PhD

B.  Clinical and Cost Effectiveness of Post Acute Rehabilitation: Best Practices  
Mark Ashley ScD, CCC-SLP, CCM & Debra Braunling-McMorrow PhD

C.  What's New in Life Care Planning Assessments: Usefulness in Understanding and Planning for Damages  
James M. Gracey EdD, CRC, CLCP, Daniel A. Sloane, & R. Craig Ewing Esq

5:30 p.m.  Exhibits Open – Dinner on your own

Tuesday January 10, 2012

7:00 a.m.  Interactive Breakfast Sessions

Tom Politzer OD, FCOVD, FAAO, Amy Berryman OTR, MSHA, & Karen Rasavage OTR
Wednesday January 11, 2012

7:00 a.m. Interactive Breakfast Sessions

A. TBI Research Collaboration: Building Interdisciplinary Networks from Common Data Set Elements
   Cynthia Harrison-Felix PhD, David Ripley MD, David Hovda PhD, & Geoffrey T. Manley MD, PhD

B. Rehabilitation Management of Vestibular Disorders Across the Continuum of Brain Injury Rehabilitation
   Jodi A. Renard PT, DPT, Lisa Childs MS PT, MHA, & Matthew Scherer PT, PhD, NCS

C. The Art and Science of Community Reintegration
   Patricia Kearns PT & Tiffany Heck OTR

D. Transforming Cultures of Lifelong Living for Persons with Brain Injury
   David Seaton & Harvey Jacobs PhD

E. Mild TBI Controversies
   Ronald Ruff PhD & Peter Burg Esq

F. Forgotten Family Members: Working with Children, Siblings, and Extended Family
   Melissa Abate LMSW & Kenny Hosack MA

G. Disorders of Consciousness Case Presentations: A Practicum
   Joseph T. Giacino PhD

8:30 a.m. Break – Exhibits Open

9:00 a.m. Concurrent Sessions

A. Aging Symposium:
   A Longitudinal View of Morbidity and Mortality Following Traumatic Brain Injury
   Cynthia Harrison-Felix PhD
   Aging with Brain Injury: A Real World Understanding
   Tina Trudel PhD

B. Outcomes Symposium:
   Implementation of TBI Common Data Elements: Transforming Research and Clinical Knowledge
   Geoffrey T. Manley MD, PhD
   The Measurement of Participation and Other Important Outcome Measures in TBI Rehabilitation Research
   Gale Whiteneck PhD, FACRM

C. Applied Neuro Rehabilitation Technology: A State of the Art Review and Hands-on Workshop Part 1
   Karen Sims MS, CCC-SLP & Jill Baldessari OTR, ATP

10:00 a.m. Break – Exhibits Open

10:15 a.m. Concurrent Sessions

A. Pulling it All Together: The Financing of Brain Injury Rehabilitation and Services across a Continuum of Life
   The Cost Effectiveness and Societal Value of Brain Injury Rehabilitation Across a Continuum
   D. Nathan Cope MD
   Brain Injury Medical Rehabilitation Treatment Guidelines and the Alignment of Resources in a Changing Health Care Environment
   Mark Ashley ScD, CCC-SLP, CCM

B. Applied Neuro Rehabilitation Technology: A State of the Art Review and Hands-on Workshop Part 2
   Karen Sims MS, CCC-SLP & Jill Baldessari OTR, ATP

11:15 a.m. Break – Exhibits Open

11:30 a.m. Closing Plenary

A. The Neuroethics of Brain Injury Rehabilitation and Health Care Reform:
   A Historical and Future Perspective
   Joseph J. Fins MD, FACP

B. Extended Family
   Karen Sims MS, CCC-SLP & Jill Baldessari OTR, ATP

C. Practical Application of Technology and Other Modalities in Rehabilitation
   David T. Stuss PhD

D. Life, Liberty, and the Pursuit of Happiness: Transforming Long Term Care into Life Long Communities
   David Seaton

E. Acute and Subacute Stages of Cognitive Recovery Following Mild to Moderate TBI: Relationship to Outcomes
   Donald T. Stuss PhD

12:30 p.m. Afternoon is open for skiing and other winter recreation!

4:00-6:00 p.m. Exhibits Open – Après Ski
# Registration:

## 2012 Brain Injury Summit - A Meeting of the Minds

**January 9-11, 2012**  
Hosted by Craig Hospital
