PAID RESEARCH OPPORTUNITY!

X Riverside Insights[®]

Riverside Insights, a leading publisher of clinical and educational assessments, is recruiting persons from ages 3 through 80+ to participate in an assessment research study. *How long does it take?* Varies depending on the age of the participant and study.

What kinds of questions will I need to answer? Questions measuring oral language, cognitive abilities, and academic achievement.

What do I get in return for my participation? \$100.00 in virtual Amazon gift cards.

Are my test results kept confidential? Yes, all participants' names, demographic data, and scores are kept strictly confidential.

What does Riverside do with the results? The results of this research study will provide insights that elevate potential for children and adults.

I'm interested! How do I sign up? Contact the research examiner at the phone number listed below.
