

Care Across the Ages Brain Injury Conference

BIAC's Brain Injury Conference returns in 2026! This year's event will be held Thursday, March 12th at Upper Larimer Event Center in Denver, CO. Our conference is typically composed of professionals in the brain injury field, survivors of a brain injury, and their caregivers. We expect over 200 people to attend and hear presentations about strategies and treatments to help improve the lives of those living with an injury to the brain.
